What makes an Owl Experience so special?

For those with a particular fondness for owls, our Owl Experience allows participants to get close to a variety of beautiful owls and learn a little bit about each bird. Under the guidance of one of our falconers, you will experience the beauty of flying an owl to your gloved hand, presenting a brilliant photo opportunity. This experience is perfect for owl lovers. Cotswold Falconry is open every day from mid-February to mid-November. This experience will take place during our open season and lasts approximately 1hr.

This experience voucher includes day admission for the entire day. You are welcome to make use of this by watching all three of our different displays (11:30, 1:30, 3:00).

Look out for large brown tourist signs for Falconry Centre & Batsford Arboretum/Garden Centre.
