What makes an Inside: Raptor experience so special?

This small group experience takes place inside our atmospheric old stable building. You'll be immersed in the world of raptors. Watch as these magnificent hunters fly freely above you, sweeping low and landing close by. You'll also have the opportunity to handle at least one bird of prey, guided by our experienced falconers making a truly unforgettable encounter.

Please note: Vouchers are valid for twelve months from the purchase date. See Terms & Conditions on our website for further information.

Cotswold Falconry is open every day from mid-February to mid-November. Each extraordinary encounter will extend for a minimum of 45 minutes, allowing ample time to fully appreciate these magnificent birds of prey.

This experience voucher includes day admission for the entire day. You are welcome to make use of this by watching all three of our different displays (11:30, 1:30, 3:00).
